

Dear Local Business,

In Sammamish there's nothing more important than fostering our local sports teams. Teams like the Skyline Spartans provide high school students with a safe place to be physically active and make connections with their peers. The Skyline Spartans have a rich tradition of winning while developing leaders both on and off the field. However, this wouldn't be possible without the support of important local business partners like you.

The Spartan QB Club helps raise money for the football program to operate. We are looking to raise \$50,000. These funds help pay for many important expenses that the school does not cover for the team, including:

Training for Coaches	Scholarship Fund	Refurbish or Replace Equipment	Live Stream Service	Game Day Production

Would your business be interested in serving as a team sponsor in our Skyline Game Day Program? In return, your company name will be featured in our game day program. This would help your organization gain exposure among Skyline families, friends, and in the broader Sammamish community. The Spartan QB Club will be happy to start a partnership at any level! Your contributions will help us fund important Skyline Football needs.

If your company is excited by this proposal and willing to serve the students in this way, please reach out to us at info@spartanQBClub.com
